

Working in partnership with Trade Unions

Wednesday 3rd May, Glasgow

Thursday 4th May, Aberdeen

Tuesday 9th May, Dundee

Thursday 11th May, Edinburgh

Come along to hear about how ILA Scotland could help to encourage your members and colleagues into learning.

During this session you will be provided with all the information you need to help your members into learning and to access their ILA Scotland funds. This will include information on the application process as well on examples of eligible learning and ILA Scotland approved learning providers.

You will also learn about how you and your trade union could work in partnership with ILA Scotland to promote learning. You will be given the chance to hear about how other trade unions have already been working with ILA Scotland and to learn more about the ILA Scotland resources which can help you do this.

To get you started you will also receive a small selection of ILA Scotland marketing materials and resources to take away with you.

The seminar is free and is being run in partnership with the STUC Skills & Lifelong Learning Team. Lunch will be provided and there will also be an opportunity to meet with members of the Skills & Lifelong Learning Team, network with other ULR's and trade unions, and to have your questions answered.

Places are strictly limited on these seminars. If you would like more information or to book a place contact: Stark Events on 0141 357 2235 or by emailing ilascotland@starkeventsuk.com
