19 December 2005

Dear Colleague,

**BUSINESS & ENVIRONMENT WOMEN'S SEMINAR
31 March to 2 April 2006 Croyde Bay Holiday Village**

I am delighted to inform you that the next Business & Environment Women's Seminar will take place during the weekend of 31 March to 2 April 2006 at UNISON's Croyde Bay holiday Village in Devon.

This seminar is for women members from electricity, environment agency, gas, transport and water branches. We hope to have a mix of activists and new faces from all three service groups to explore the two vital issues of women's pensions and Transformations – considering union culture in terms of gender.

Feedback from previous B&E Women's Seminars has always been very positive. Our seminars are great opportunities for women members to network, to find out what UNISON has to offer them and vice versa and learn something useful and pertinent to their working lives.

Please encourage your women members to register for this event. It may be possible for your branch to get additional funding if you are unable to send your women members due to lack of branch funds. In such cases, the branch (not the delegate) should contact Nadia Miszczyanyn in the Business & Environment Unit as soon as possible.

Details of the seminar and the pink registration form are attached to this circular – please give them to your women members. If you need more forms, please photocopy them on to pink paper or ask Nadia for a further supply. Delegates or branches should return their delegate registration and access facilities forms by no later than **Friday 3 February 2006**.

The cost of the seminar is £150 per delegate, inclusive for the weekend. Please note that each delegate must send a cheque for the full amount of **£150** together with her **registration form**.

Yours faithfully,

Mike Jeram
Mike Jeram

NATIONAL SECRETARY
