

Are you an LGBT UNISON member?

Get involved, network, find out what's going on, have your say...

Did you know UNISON holds an annual conference for lesbian, gay, bisexual and transgender members?

We also hold national networking meetings for:

- bi UNISON members
- trans UNISON members
- Black LGBT UNISON members
- disabled LGBT UNISON members.

You don't have to be out to attend and your union will pay your travel costs.

This year our annual LGBT conference is in Cardiff on 19-21 November. To find out more about our conference and network meetings:
