

UNISON has unrivalled organisation where it matters — at work or at college.

We are the biggest union in the UK, representing pre-registration students and more than half of all nursing and midwifery staff in the NHS. So wherever you go throughout your course you will be among UNISON members.

We want you to know that we are as committed to your professional development and success as we are to campaigning for you to become salaried employees, for fairer rents and standards of accommodation, health and safety, equal opportunities and in protecting your rights.

We have more workplace stewards than any other union, backed by a very impressive central professional department and regional professional advisers (all of whom are qualified nurses).

So when you need help, advice or protection you can rely on UNISON.

We hold a strong influential position at the highest level in nursing and midwifery. More than one third of the UKCC elected seats are held by UNISON nursing, midwifery and health visiting members.

We have a good relationship with the National Union of Students bringing together our joint experience in providing a service for nursing students.

Are you interested in joining us? Then why not fill in the form, now!

The Direct Debit guarantee

● This guarantee is offered by all banks and building societies that take part in the Direct Debit scheme. The efficiency and security of the scheme is monitored and protected by your own bank or building society.

If the amounts to be paid or the payment dates change, UNISON will notify you 10 working days in advance of your account being debited or otherwise agreed.

If an error is made by UNISON or your bank/building society, you are guaranteed a full and immediate refund from your branch of the amount paid.

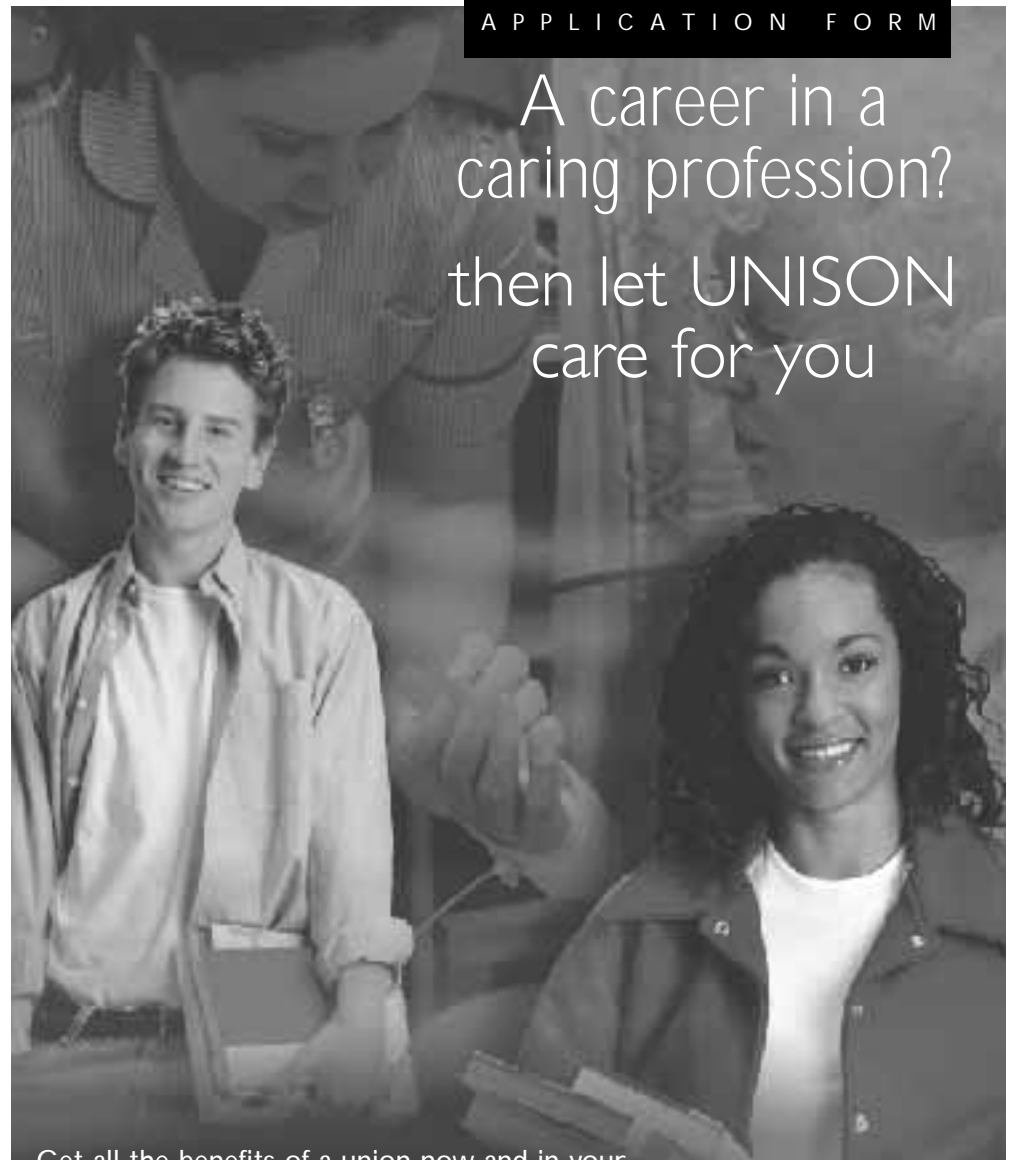

You can cancel a Direct Debit at any time, by writing to your bank or building society. Please also send a copy of your letter to us.
