

# 8 Ways 2 ACTIV 8

We'd all like to do more to ensure the future of UNISON & the Trade Union movement as a whole. Currently our Regional Young Member recruitment record is among the best in the country. Within Scotland, however, we do not have enough Young Members who are active. That's why we're looking at "8 Ways 2 Activ8" and are asking you to assist us in the following ways:

**1** When someone young joins your workplace, approach them to join UNISON.

When you're talking to any young member colleagues, tell them about UNISON's Young Member's activities.
